The „Hans Lehmann“ company group had been founded in 1926 and is going to sea since the 1950s. From the outset the company invested in the continuous expansion of the fleet, so as we do today, in our 85 year anniversary.

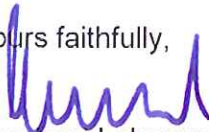

We are proud to announce that with the 2<sup>nd</sup> hand purchase **MV „Mai Lehmann“**, another sister to our already successful trading duo *„Anna Lehmann“* and *„Karin Lehmann“* joined our fleet. We will continue to invest in our fleet to ensure highest standard of tonnage and to always meet our customers request for individual services.

MV *„Mai Lehmann“* is a 1999 build Bodewes type. On 2774 GT and 90,44 mtr loa she is offering 4135 dtwat. We welcome MV *„Mai Lehmann“* and her crew to our fleet and wish her always safe sailing and success!

We also like to announce that with the **„Reederei Lehmann GmbH & Co. KG“** a 100% daughter to our well known mother company *„Hans Lehmann KG“* had been founded. The Reederei Lehmann will take over with immediate effect the full and complete fleet management and operation for the Lehmann fleet.
